

## Quality Policy Statement

**BioActor's goal is to be the preferred business partner for our customers** in the dietary supplement and functional food industries, by providing innovative and premium quality products for active living and healthy ageing nutrition.

To that purpose, BioActor has established a Quality Management System – complying with ISO 9001 standards - in which the following core values are enshrined:

- **Innovation** is at the basis of all our products
- Supplied products are one hundred percent **safe**
- **Clinical data** is a must have
- One hundred percent **natural** from food crops
- Premium quality **produced in Europe**
- Long-term **partnerships**
- **Transparency** with our customers
- Clinical research **communication**
- **Customer First**

The entire BioActor Team fully stands behind these values and will strive to surpass customer expectations by working day after day to continuously improve the quality of our products, services, and operations.
